POSSIBLE 2023 EVENTS

- Re the low footfall in the practice, some patients still come weekly in for a regular chat.
- The practice tries to get more patients to have remote consultations.
- Perhaps the PPG could set up a desk in the waiting room to explain the reasoning behind this to patients?
- Fact to face appointments continue to be available. This is strongly supported by the PPG.

ANY OTHER BUSINESS

Some discussion occurred about the local pharmacies. The PPG expressed concern about one of them.

NEXT MEETING - will be held at the practice on **5th April at 4.00pm**

The meeting closed at 16.55.
