

## **NHS ZERO TOLERANCE POLICY**

### **ABUSIVE OR AGGRESSIVE BEHAVIOUR**

### **NO EXCUSE FOR ABUSE**

Our staff come to work to care for others. Please treat them with the same respect as you would expect to receive.

There is an increasing problem of abuse against staff working in the NHS and the NHS Zero Tolerance Policy ensures that doctors and all other staff have a right to care for others without fear of being attacked or abused.

We reserve the right to remove patients from our practice list and notify the police if necessary.
