### **Registration Process for new born babies**

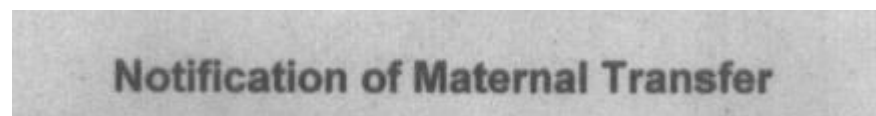

For new born babies we need the following:

- 1) **GMS1 form filled in with the baby's new full name.**

To download and fill in the GMS form, please click on the link below and follow steps 3,4 and 5:

<https://www.walnutwaysurgery.nhs.uk/new-patient-registration/>

- 2) **The notification of Maternal Transfer discharge summary document**, which is issued by the hospital. As an example the heading of the document may look like this:

- 3) **The 'Baby transfer of Care' discharge summary document**, which is issued by the hospital.

This will have all the babies details we need to register the baby.

As an example the heading of the document from Hillingdon Hospital looks like this:

**So in summary please email the following to [sajid.siddiqui1@nhs.net](mailto:sajid.siddiqui1@nhs.net):**

- 1) GMS1 form filled in with the babies **full name** along with the rest of the details requested on the form
- 2) The notification of maternal transfer document
- 3) The baby transfer of care document
